Hubert Clinton Herring

October 30, 1859 August 6, 1920

From the resolutions adopted by the Executive Committee of the National Council, and by the Commission on Missions, is drawn the following appreciation of Dr. Herring. The outstanding events of his life will be found in the Necrology near the end of this volume.

We are deeply affected by the loss of our leader, honored and beloved, the Rev. Hubert C. Herring.

In common with the rest of our Congregational brotherhood we admired him and prized his services, while to us was given a still more intimate opportunity of direct association and personal fellowship. In this close relation we saw the man ever disclosing anew the abounding resources of his strong and catholic personality. With resolute spirit he took the innumerable burdens of his office upon his broad shoulders and bore them with joy by reason of the significance attaching to them. Out of a wide horizon, with comprehensive mind, he brought to focus innumerable details and with sagacious insight he appraised their significance for the Church and the Kingdom. Given to varied forms of service, he never lost the central motive. A profound student of Congregational principles, needs and tendencies, a quick and careful thinker and a great leader, his statesmanship has left an enduring impression upon our denominational life and in the wider relations of interdenominational enterprise his influence was being increasingly felt.

The hours of personal contact with him were a delight. His steadfast and earnest purpose, unblemished by any trace of the perfunctory, was a constant incentive. In his estimate of men and measures one felt the kinship of the human touch, combined with discerning judgment, while over it all played the gleam of his whimsical humor. In humility he had the mind which Christ enjoined, thinking of himself soberly and esteeming his work for the Master's and the brethren's sake.

His vision was wide and long; his hope for the churches was high; his plans for the future were often gloriously daring. But his hope was no bigger than his faith. He had faith in God.

He had faith in the loyalty and the forward look of the churches. He firmly believed in a coming Kingdom of God on the earth in which all dividing lines should be rubbed out, all distinctive names forgotten, and one united and mighty army of believers should address itself to the task of establishing righteousness, justice, faith and brotherhood in all the world. In spite of the difficulties and the ebbing of tides that had promised to flood, his visions never dimmed, his faith never wavered, and he threw himself into the conflict with all the abandon of a great soul stayed on God.

Dr. Herring's personality was unique and commanding; big in body, big in heart, big in all manful qualities, but gentle and tender as a mother. Full of sparkle and laughter, scorning the mean and the base, delighting in anecdote and repartee and the clash of wits, conscious of power and using power, he was yet reverent, devout and humble. He made us believe in him; he clarified and guided our thinking; he captured our hearts and summoned us personally to better lives.

By the outward sundering of these associations we are bereft and our hearts are sorely grieved. For the entire body of our Congregational fellowship we would express the high regard in which Dr. Herring was held, and we would convey our deepest sympathy to the inner circle of those who knew and loved him best. His spirit abides among our enduring possessions and the compact of faith bids us look forward to that land where "loyal hearts and true stand ever in God's sight," and where the shadows of this earthly life are banished in the light of eternal day.

THE CORPORATION FOR THE NATIONAL COUNCIL

The Corporation was formed in 1909 pursuant to a resolution of the National Council. It secured a charter from the legislature of the State of Connecticut. The powers granted are described in this charter as follows:

The object of said corporation is to do and promote charitable and Christian work for the advancement of the general interests and purposes of the Congregational churches of this country, and to receive, hold and administer, in trust or otherwise, funds and property for the use of said National Council, or of churches of the Congregational order, or of any particular church of said order; and all in accordance with resolutions and declarations made from time to time by the National Council of the Congregational Churches of the United States, or by any body which may succeed to the functions of said council; and said corporation may cooperate with any other corporation or body which is under the charge and control of churches of the Congregational order in the United States, or churches at the time affiliated with said order. Said corporation may acquire by purchase, gift, devise, or otherwise, and hold and dispose of real and personal property for the purposes of its creation and may make any contracts for promoting its objects and purposes not inconsistent with law.

The members of this Corporation, seventeen in number, are chosen by the National Council for a six years' term, except the Moderator and Secretary, who are members only during their terms of service in the Council. The present membership of the Corporation is as follows: Simeon E. Baldwin, Henry M. Beardsley, Pres. D. J. Cowling, Lucius R. Eastman, Rev. Edward D. Eaton, B. H. Fancher, J. L. Grandin, Pres. H. C. King, E. P. Maynard, S. H. Miller, Rev. Charles S. Mills, Epaphroditus Peck, Dr. Edward W. Peet, J. H. Perry, Dr. Edwin G. Warner, Rev. C. H. Wilson, Samuel Woolverton.

The Corporation holds $2,140 of general funds belonging to the National Council, the income of which is paid to the Executive Committee of the Council to be used for denominational purposes. It is also charged with care of sums contributed for the Pilgrim Memorial Fund. Under its charter the Corporation is empowered to receive and administer funds for any Congregational interest, local or general. Its members being chosen by the national body are directly representative of the churches, while at the same time its compact organization enables it to care for moneys entrusted to it with business-like efficiency.

Correspondence is invited from any who desire to entrust their gifts to this permanent and legally incorporated body. The Secretary *pro tem.* of the Corporation is Rev. Charles S. Mills, 375 Lexington Ave., New York, and the Treasurer is B. H. Fancher, 287 Fourth Ave., New York.

THE PILGRIM MEMORIAL FUND

375 Lexington Avenue, New York.

The principal of this fund is help in perpetuity by the Corporation for the National Council, to be invested and reinvested by said Corporation, and the distributable income, as determined by said Corporation, is turned over to the Board of Trustees of the Annuity Fund for Congregational Ministers to be used to aid in providing Old Age Annuities and Disability Annuities for Congregational ministers who become members of the Annuity Fund and Death Benefits for their widows and minor orphan children.

The unparalleled opportunities of the present time impose upon Congregationalists, as upon all other religious denominations, the duty and necessity of a decided advance along the following lines:

1. *Evangelism.* — Men must be won to the clear decision that Christ is the Master of their lives, and this decision must be expressed in fellowship and service.

2. *Christian Education.* — Many of our colleges are burdened with debt caused by the abnormal conditions of the war. The number of students who are preparing for the ministry shows an alarming decrease.

3. *Provision for Aged Ministers and Their Families.* — The Pilgrim Memorial Fund will provide for the men who are to serve the churches in time to come, but those now retired and others nearing the end of their period of service must not be forgotten.

4. *Missionary Education.* — Congregationalists can if they will and will if they know the facts in regard to our world-wide opportunity and responsibility.

5. *Stewardship.* — Theoretically we have been ready to admit that God is the owner of all that we possess, but practically we have all but ignored His right to determine what we should do with His own.

6. *The $5,000,000 Apportionment.* — Increased from the former amount of $2,000,000 on account of the higher cost of living and every aspect of missionary service.

Prudential Committee. — The President and Vice-President, *ex officiis;* SHEPHERD KNAPP, D.D.; ARTHUR L. GILLETT, D.D.; EDWARD D. EATON, D.D.; CHARLES S. BATES; JOHN C. BERRY, M.D.; ARTHUR H. WELLMAN; FRANK B. TOWNE; ARTHUR PERRY; J. LIVINGSTON GRANDIN; Rev. ASHLEY D. LEAVITT; Rev. ARTHUR BRADFORD.

The American Board has 19 missions in 9 great areas whose total population is about seventy-five million. It has 724 foreign workers and 4,832 native workers and maintains 1,244 schools of all types with 58,620 pupils. The Christian community numbers about 200,000.

Turkey remains the great question mark of American Board Missions. Some of the stations have maintained their ministries in school and hospital and religious service without interruption throughout the war, and others have recently reopened. The devotion and heroism shown by those who have worked on, with armies fighting and shells bursting about them, form one of the brightest pages in all the annals of Christian missions. The Balkans are more responsive than ever before. In Asia Minor we must wait quietly for our chance to reenter some of the old fields in the sure confidence that the door will open upon greater opportunities than we have ever known.

India has begun her great and complex experiment in popular government. What effect this will have on mission work cannot yet be predicted. The increased national self consciousness has already strongly affected the Indian Christian Church which is showing great initiative. Christianity is finding a warm Oriental expression which is greatly increasing its hold on India.

The Chinese people continue to respond to Christianity in a remarkable way. Perhaps more than those of any other non-Christian people her educated leaders see in Christianity their hope of developing the character and leadership needed for China's great adjustment to the modern world.

All the more because of causes of friction between America and Japan and America and Mexico should we emphasize our greatest agencies of good will, Christian missions. This is also true of the Philippines, clamoring for political independence and the Marshall Islands, now under Japanese control.

Africa has by no means escaped the profound readjustment due to the war and our missions there give us remarkable opportunities to play a helpful part. Nor must we neglect our missions of friendship in Spain and Czechoslovakia.

Again the receipts of the Board were the greatest in its history — about $1,650,000, but the necessary increases in expenditure to maintain our work caused a deficit of about $242,000. The Board relies on the Congregational World Movement to help it to meet this deficit. Rigid economy is the order of the day, but we must try to avoid the disastrous losses of a retreat when unexampled opportunities challenge us to advance.

The Board appeals for recruits of many different types, but especially for ordained men to fill important positions in many lands. The Orient needs the best lives that America can offer.

FIELD

extends from the Atlantic Coast to the Hawaiian Islands, and Porto Rico. It includes in the South, the Negroes and the Whites, both in the mountains and the lowlands; in the West, the Indians; on the Pacific Coast, the Chinese, Japanese and Hindus; and in Porto Rico and Hawaii, those of various races. A large body of Christian educational work among the Latin Americans in the Southwest has been transferred by the National Council from the Congregational Education Society. It adds a serious financial and administrative burden to The American Missionary Association.

PURPOSE AND METHOD

The American Missionary Association is training leaders for these different races. This involves an

INDUSTRIAL LEADERSHIP

The Association years ago introduced into its schools Industrial Training. All our principal schools now give this training. The aim is not simply to instruct the few in handicrafts, but to give to the many an intelligent and efficient industrial leadership within their own race, which shall encourage industrial activity and lead to economic development.

AN INTELLECTUAL LEADERSHIP

is also furnished through the colleges and higher institutions. No race can be lifted by the means of Industrial Training alone. The larger development of intellectual life is essential to secure to any race influence and power. This the Association recognizes and provides for. In its normal schools hundreds of teachers are trained for the public schools. This training of teachers is of supreme importance in the elevation of any people.

MORAL AND RELIGIOUS LEADERSHIP

Departments of Biblical and theological instruction, in which ministers and missionaries are trained for the service of their own people, are provided by the Association. Character building and religious instruction are everywhere a part of school training. High moral standards can be met only by a well-trained moral and religious leadership.

EDUCATIONAL WORK

includes normal, theological, college, academic, and grade teaching, with instruction in manual training, domestic science, mechanical arts and agriculture. There are five chartered institutions for colored students as follows: Fisk University, Talladega College, Tougaloo College, Straight College and Tillotson College. Piedmont College gathers a large body of white students. There are also secondary and elementary schools to the number of 26. The total enrollment in all the institutions of The American Missionary Association last year was 12,067.

CHURCH WORK

The value of Congregational churches in the field occupied by The American Missionary Association cannot be measured by the number of these churches. Missions are established which often do not grow into organized ecclesiastical bodies. This is especially true among the Indians. These missions, however, are of large value in bringing the influence and light of the gospel to darkened and neglected peoples. Many of the Congregational churches maintain these missions in their vicinage and so multiply their work. Our high ideals of church life maintained by these Congregational churches render somewhat slow the progress of their organization. This is true especially where there is an inadequate intelligence and leadership. An emphasis of the dignity and sacredness of church membership is thus impressed.

Among the Negroes there is an increasing expression of the ambition and desire for expansion and growth. These evidences of progress in the church work are encouraging.

LITERATURE.

Interesting leaflets representing the work of The American Missionary Association can be secured at any time by sending to one of the offices.

The American Missionary magazine is published monthly, representing the work of the several home missionary societies. The subscription price is *fifty* cents per year.

375 Lexington Avenue, New York.

The Annuity Fund for Congregational Ministers is for the purpose of providing protection in the form of annuities against the needs of old age, and also against death and permanent total disability during the active years of ministry.

The resources of the Fund are derived from payments made by the minister himself and from contributions of churches and individuals, including the distributable income of the Pilgrim Memorial Fund.

Membership is offered for the year 1921, under two plans:

1. The Original Plan, inaugurated in 1914, in which 926 ministers had membership January 1, 1921, offers a maximum Old Age Annuity of $500 a year. Payment is based on age. No new members in this plan will be received after December 31, 1921.

2. The Expanded Plan offers an annuity in proportion to the amount to the member's credit at age sixty-five or up to age sixty-eight if he so elects. Dues are based upon the annual salary. The member's annual share in the distributable income of the Pilgrim Memorial Fund is credited after the first year of membership on the members' dues.

THE WOMAN'S BOARDS OF MISSIONS.

The three Woman's Boards are corporate bodies, chartered under the statutes of Massachusetts, Illinois and California, respectively. Each cooperates with the American Board and assumes the support of a part of the work under the care of the American Board. They collect money through Branches, Auxiliaries and Mission Circles, and support missionaries as teachers, evangelists, doctors and nurses. Their missionaries receive appointment from the Prudential Committee of the American Board, and are enrolled as its missionaries. Although the funds of the Boards are forwarded to the mission field through the treasury of the American Board, all the money has been previously designated by the Woman's Boards, each of which has its specific work to be supported out of its own funds. The women, girls and children of the churches are the constituency upon whom rests the responsibility of providing these funds.

JOHN H. QUINT, Chelsea.

OBJECTS.

To maintain, in the city of Boston, a CONGREGATIONAL HOUSE; to care for and perpetuate a library of books, pamphlets and manuscripts, and a collection of portraits and relics of the past; to promote friendly intercourse and cooperation among Congregational ministers and churches, and with other denominations; and to do whatever else — within the limits of its charter — shall serve to illustrate Congregational history and promote the general interests of Congregational churches.

MEMBERSHIP.

The membership of the Association consists of Congregationalists who have been elected by the Directors at any regular meeting. There are two classes of members — Life and Annual. Annual members pay an annual assessment of $1.00. The payment of $10 at one time by a member constitutes him a Life member. All members are required to sign the Constitution or otherwise accept membership in writing. All moneys received for membership are applied exclusively to the increase of the library. Since vacancies in the ranks of members frequently occur, all who have at heart the best interests of our denomination are urged to join the Association and thus help to sustain worthily this central heart of Congregationalism, which is ever sending out streams of life to all parts of the world that are reached by the work of our churches.

THE CONGREGATIONAL HOUSE.

It was erected in 1898, and dedicated on Forefathers' Day of that year. The cost (including land) was $630,000, of which $218,000 remained as a mortgage on the property. But through the income derived from rentals, and through prudent management, the debt has been reduced to $63,000. The House provides attractive quarters for the Congregational missionary societies, which rent the larger part of the building. An annual appropriation is made to each of these, in the form of a rebate on its rentals. It is highly desirable that the debt should be cancelled as soon as possible by direct gifts and legacies, that the goal of the Association may be reached in reducing to its lowest terms the rentals charged to these societies. Contributions to the library, of all historical material illustrating the varied activities of our churches, are also earnestly solicited.

THE CONGREGATIONAL BOARD OF PASTORAL SUPPLY.

610 Congregational House, Boston.

Directors. — Rev. Watson L. Phillips, D.D., Chairman; Sylvanus G. Morse, Treasurer; Appleton P. Williams, Auditor; Rev. Morris E. Alling; Rev. Robert E. Brown; Rev. Gideon A. Burgess; Rev. Frederick E. Emrich, D.D.; Rev. John P. Garfield; Judge Warner A. Graham; George F. Kendall; Arthur S. Lane; Rev. Frank W. Merrick, D.D.; Rev. Paris E. Miller; Prof. Warren J. Moulton, D.D.; Rev. D. Augustine Newton, D.D.; Oscar A. Phelps; Rev. Oliver D. Sewall; Rev. Edward R. Stearns; Irwin W. Tapley; Rev. H. P. Woodin, D.D.

Secretary. — Rev. Arthur J. Covell.

This Board is maintained and controlled by the Congregational Conferences of the six New England states. It is an advisory agency in aiding pastoral settlements. Its rule is to make recommendations to a church only in response to direct official request. It is the servant of the churches, and is entirely responsible to them.

Our business is to set before the churches clear and impartial and considerate testimonies relative to ministers concerning whom they make inquiries. We give names of men available for the pastorate, if that is desired; and we designate and engage men to preach with reference to settlement whenever that may be left with us. We also furnish temporary or occasional supplies wherever they may be wanted. The Secretary visits churches upon request, supplying the pulpit and meeting the committee of the church.

The Secretary also visits the theological seminaries, that he may, so far as possible, know personally the men of the senior classes who are ready for settlement. And as far as desired, and other duties permit, he speaks before associations of churches and ministerial unions in the interests of the work for which the Board stands.

The work of the office is large and increasing. We have carefully recorded statements concerning more than half of all the Congregational ministers in the country, and of nearly all those in New England. The churches served by us are most largely in the New England states, but our business reaches to almost every state, and passes even a little beyond the bounds of the Union.

The records of our office contain important facts relative to the churches that have corresponded with us. They cover preaching engagements of every sort made through our agency, and they include copies of all letters descriptive of ministerial standing and capacity. Nothing is done that is not put within reach of authorized inspection.

It is not meant that anything should be done as a matter of merely personal favor or disfavor. It is not intended either that the individual judgment of any one person should be much put forward as of decisive weight. In matters concerning ministerial character and capacity it is meant that there should be gathered in, as far as possible, the general judgment of discerning men who have had opportunities of knowledge; and it is the business of the Secretary to place this general judgment as best he can before those who have need to know and the right to know what it is.

The expenses of the Board are borne chiefly by contributions from the churches of New England, through the treasuries of the State Conferences. Fees are charged, however, to ministers for the furnishing of opportunities for the occasional supplying of pulpits, and also for aid in securing pastoral settlements outside of New England. Within New England, there is no settlement fee. No charge is made to churches anywhere. But churches outside of the six cooperating states have often assumed the payment of office fees which might otherwise have been paid by the ministers concerned.

BOSTON SEAMAN'S FRIEND SOCIETY.

Office: Room 306, Congregational House, Boston.

ORGANIZED in 1827 by a body of Congregational ministers and laymen in Dr. Lyman Beecher's church, the basement of which was at that time the home of the American Board. Incorporated in 1829.

President. — SAMUEL USHER. *Recording Secretary.* — CHARLES F. STRATTON.
Vice-President. — FRANKLIN P. SHUMWAY. *Treasurer.* — CHARLES F. STRATTON.

Board of Managers. — The officers above named and William A. Paine, Edward B. Wilder, George F. Kendall, Herbert J. Keith, John Gordon, Rev. Edwin H. Byington, D.D., Rev. Lucius H. Thayer, D.D.

AND THE FOLLOWING REPRESENTATIVES OF THE STATE CONFERENCES:

Rev. DANIEL I. GROSS, Portland, Me.
CHARLES H. WALKER, Portsmouth, N. H.
HORACE C. PEASE, Hartford, Vt.
GEORGE I. ALDEN, Worcester, Mass.
Rev. EDWARD L. MARSH, Providence, R. I.
LIVINGSTON W. CLEAVELAND, New Haven, Conn.

Corresponding Secretary. — Rev. MERRITT A. FARREN.

Object. — This Society, a Congregational one endorsed by the National Council at Grand Rapids, is devoted to the material, moral and spiritual welfare of seamen. It aims to promote temperance, thrift, morality and religion among a class of men whose privations and hardships, temptations and perils are extreme, and who at the same time respond to helpful moral and religious influences more readily than any other class of men. It also undertakes to provide these men with social entertainment and relieve their wants when shipwrecked and destitute.

Scope. — This work is not local. It has to be done where seamen are, at large commercial centers like Boston, or on great thoroughfares of commerce, like Vineyard Sound. The work is necessarily prosecuted at points on the coast, but it cares for sailor boys who have come from every state in the Union.

The work is not only for sailors from every part of our land, but for men of every race and nation. These men are followed by correspondence to all parts of the world; so that while this work has its center upon our coasts, its circumference includes all seas and shores where sailors may be found.

Methods. — The work is not simply preaching to sailors, but a large and varied ministry to all the wants of seamen. Good reading is supplied to men remote from books and news stands. Entertainments, concerts, and sailors' suppers are given for the social side of the sailor's life; the earnings of men are received and placed on deposit, with interest; invalids in naval or marine hospitals are visited with cheer and comfort. Power launches are maintained to minister to the wants of Jack afloat as well as ashore. Food, clothing and shelter are supplied to men shipwrecked and destitute at all seasons, especially in the rigors of winter. Large numbers of these unfortunates are cared for every year.

Results. — Many men have been led to save their earnings, an aggregate of many thousands of dollars. Hundreds of men have been helped and befriended in time of dire distress. Many thousands have had a cheery and homelike place of resort in reading-rooms, fitted up with games as well as with books and magazines. All this is additional to the regular evangelistic work of the Society, which is unsurpassed in its way.

But the most noteworthy results of the work are of that intangible kind, effecting the heart and life, which cannot be tabulated. In our Sailor's Rest and Chapel, 287 Hanover St., Boston, religious meetings are held regularly and are well attended. There are some 4,200 merchant sailors and navy men connected with our Christian temperance sailor society, the Anchor Alliance. At our Vineyard Haven Bethel there are conversions nearly every week in the year, and in recent years more than 1,950 sailors have united in a bond of Christian fellowship known as the "Hold Fast," and with these men the Chaplain is in constant correspondence. The spiritual value of the work accomplished is beyond all estimate.

Needs. — The Society needs an annual contribution from every Congregational Church, Sunday school, and C. E. Society. It greatly needs at this time generous gifts from individuals to enable the Society to meet adequately the increased work and responsibilities which the World War brought. It needs to have its revenues supplemented by an occasional bequest from generous patrons whose living gifts may fail us.

FORM OF BEQUEST.

I give and bequeath to the Boston Seaman's Friend Society the sum of $..... to be applied to the charitable uses and purposes of said Society.

Miss Iva E. Trumbell, R.N., Superintendent.

Committee of the State Conference. — W. B. Whiting, Rev. W. L. Waters, C. E. Lynde. Rev. J. E. Brereton, Rev. B. M. Southgate.

The Iowa Congregational Hospital is the only hospital established by our denomination in the United States. The first building was dedicated in November, 1917. It was built at a cost of about $100,000. It is up to the minute in all modern and scientific construction and equipment, making it an up-to-date hospital.

The Nurses' Training School is accredited by the state. It has a three-year course. Thirty young women are in training. Two separate homes are occupied by our nurses, which are adjacent to the hospital grounds. Young ladies desiring to enter the training school should write the Superintendent regarding entrance requirements.

The Hospital has been fulfilling well its mission. Over 3,845 patients have been treated in the hospital since it was opened and over 100 physicians of all recognized schools, have rendered professional service. There have been 1,557 operations performed and 597 maternity cases. Many states of the Union and Canada have been represented among the patients.

The Hospital Association owns commodious grounds with ample room for a number of new buildings, which are greatly needed. A new building for patients should be built at once. A building should be provided in which to house our nurses upon the hospital grounds.

A gift of $25,000 for the nurses' home would give the privilege of naming the building as a memorial to the donor or the one designated by the donor. Here is a splendid opportunity to erect a fine memorial hospital building or nurses' home to the memory of some loved one and do a service for the relief of the suffering for generations to come.

Other memorials are available. Bequests intended for the hospital should be made payable to the Iowa Congregational Hospital Association. An endowment is needed to provide for the free hospital care of Home Missionary pastors and other Congregational Ministers whose income is not sufficient to provide for the burdens of sickness.

For information regarding the hospital, address Rev. Charles Parsons, President, 328 Century Building, Des Moines, Ia.

The Seminary aims (1) to develop the practical side of the religious life, and thus produce an evangelistic and spiritual ministry; (2) to give the student an insight into modern methods of interpretation, but so as to produce a constructive scholarship; (3) to find God and the Holy Spirit in history and the Church; to see Christ in the lowliest forms of philanthropic endeavor; and thus preach a gospel for the whole life. The Seminary aims to enable the student to have definite convictions and yet a mind open to the advances of scholarship.

The courses of instruction are arranged to meet the needs of the Southern field. The regular theological course embraces three years of study. At its completion the degree of B.D. or B.B.L. is given. The English theological course is designed to meet the needs of many pastors who are desirous of entering upon a course of study, but who are too advanced in age to take the regular college preparatory requirements. In such cases the course embraces three years of study besides the regular English preparatory studies. Special courses for intending Y.M.C.A. and Y.W.C.A. secretaries, for church secretaries, and for social workers are also given in co-operation with the Associations and Churches of the city of Atlanta.

The books of our library will be sent to pastors and teachers, free of cost save postage, to all who comply with the usual rules safeguarding their return.

Terms of Admission. — Candidates for admission must be members of some evangelical church. Courses are opened to students of either sex.

Expenses. — No charge is made for tuition. Incidental charge for room rent is $10 per year. Board can be obtained for $4.00 per week. A limited amount of student aid is given to worthy men. Preaching and missionary work in connection with the prosecution of studies are possible.

LECTURER ON THE BOND FOUNDATION.

Prof. Webster Chester, ph.d., of Colby College, on Evolution.

The sole purpose of Bangor Theological Seminary is to train men and women to become preachers, pastors and teachers, and missionaries. Its primary and all the supplementary means of instruction seek this one end. It is open to Christians of any denomination.

It offers to college graduates and to those who have received equivalent discipline the opportunity to gain a thorough, modern, practical, ministerial training and makes it possible for good students who are thus qualified to complete in three years the studies required for the degree of Bachelor of Divinity.

At the same time it makes provision for those who are belated in beginning their ministerial preparation and who have not had the privilege of the usual full and unbroken academic training. The studies are adapted to their needs, with the hope that they will be able, in a somewhat longer time, to cover the full course. A considerable experience has shown that there are many earnest young laymen in our churches whose early studies, practical experience and natural gifts qualify them to prosecute successfully theological studies. They often become most able and efficient ministers.

Attention is called to the Seminary's Library of over 30,000 volumes, well selected and steadily growing; to its fine gymnasium under a competent physical director; to Convocation Week, with its group of eminent lecturers and its gathering on this occasion from northern New England of a great company of working ministers.

Because of the adoption of the cooperative plan in the boarding-house, the necessary expenses of the student may be kept within very moderate bounds.

The Seminary year extends usually from the last Wednesday in September to the first Wednesday in June.

Requests for catalogues, letters of inquiry, or applications for admission should be addressed to the Corresponding Secretary, Professor Warren J. Moulton.

THE CHICAGO THEOLOGICAL SEMINARY.

Chartered 1855.

For twelve years the Chicago Theological Seminary has been doing business under the present management. Both the routine work and special investigations have developed a program of extensive correspondence and conferences with churches, ministers, and young men and women interested in Christian service. The states of the Interior have afforded the major field for observation, but the eastern states and the Far West have not been left out of the accounting.

While we have no statistics by which to prove it, a certain clear conviction is growing, namely, there are many alert churches and devoted students who are seeking new definitions of church work and better methods for doing it. Young people are interested in Christian service. It may not seem so when the ministry in the abstract is mentioned, but the response grows eager when some concrete phase of religious work is presented.

Again, the church is recognizing its responsibility for bringing together under its leadership various religious influences and undertakings which have been floating about in a detached fashion. This does not mean a letting down of the regular ministry; it does mean an enlarging of the boundaries of activity, a call for a diversified ministry. The outlines of this opportunity may be vague in the mind of the student and of the church, but the direction in which religious life and its expression is moving is distinct; it is in keeping with the irresistible leavening of the social order by the spirit of Jesus Christ.

The total situation is calling for a new front on the part of schools designed to fit men and women for Christian service. Thirty years ago a student who has since done notable things for the kingdom of God in this country and in Asia, decided he could not enter the ministry because he was not taking Greek in college, and so he attached himself to an outside organization. Those were the days when seminaries were insisting that men fit into their study scheme. Today the seminaries are put to it to help men and women who are qualified to prepare for Christian work of a technical kind that they may get the best possible equipment in the light of current needs and individual gifts.

The Chicago Theological Seminary is working upon this readjustment, and in accordance with the case method. This does not mean that we are offering helter-skelter courses; it does mean that we are seeking to meet the reasonable requests of individual students, to administer their cases that they may acquire adequate training for their chosen work, and to secure to them such academic recognition as their student record may warrant.

The affiliation of the Seminary with the University of Chicago makes possible such offerings. With several theological faculties at this center there are afforded large varieties of courses that have to do with both the theory and the practice of Christian service. The student also finds additional and far-reaching courses in the university to fit him with highly technical training for education, for different types of mission work, for administration, or for other special work that he may decide upon.

The arrangement of term periods, of class schedules, and of correspondence work affords a flexibility which enables men of varied ages, experience, and responsibilities to get their training with the maximum economy of time and money. For further information, address,

HARTFORD SEMINARY FOUNDATION.

Incorporated, 1913.

WILLIAM DOUGLAS MACKENZIE, D.D., LL.D., *President.*

The Hartford Seminary Foundation is the corporate name for a group of interdenominational schools, including Hartford Theological Seminary, Hartford School of Religious Pedagogy and Kennedy School of Missions. Each school has its independent faculty, its distinct body of students and its individual curriculum. Taken together they provide scholarly and practical training for the Christian ministry, for the mission field, for the educational work of the Christian Church, and for the various forms of lay service at home and abroad.

Courses in each school are taken by students in the other schools. For example, students in the Seminary and the School of Missions do their work in Pedagogy and Psychology in the School of Pedagogy, and all students of the Foundation receive instruction in Missions in the School of Missions.

THE AIM of the Seminary is to prepare men for the ministry of the Gospel at home and abroad. It uses the resources of modern scholarship in the service of the evangelical faith in training for various forms of ministerial work.

THE CURRICULUM requires a definite number of class hours for graduation. These must include certain general topics in theology. Beyond these, freedom of election is allowed, under faculty supervision. Opportunity is thus afforded for a broadly generalized or a closely specialized training. Diplomas are granted to all students completing the regular course. The degree B.D. is given for the completion with special credit of the regular course, including Hebrew and the presentation of an approved thesis.

GRADUATE STUDY is strongly encouraged. The degrees S.T.M. and PH.D. are given under carefully defined conditions. Two fellowships of $700 each per year are offered, each for two years of foreign study; and two of $500 each, for one year of post-graduate study in residence.

THE EQUIPMENT includes a library of 112,000 volumes and 55,000 pamphlets unusually rich in history and liturgics, a museum, a reading room, gymnasium, music-room, etc.

ADMISSION. — Candidates for admission must be members of some Christian church and graduates of some college, except in very special cases. The Seminary is open to women under certain conditions, but on the same basis of scholarship as men.

EXPENSES. — No charge is made for tuition or for rooms except a nominal fee of $25 to cover heat, light, etc. Board is provided under the care of the Students' Association at about $6.00 per week.

SCHOLARSHIP aid is provided for those needing it, varying in amount according to grade standing.

The Faculty is further strengthened by cooperation with Pres. Claiborne Milton Hill, d.d., and faculty of the Berkeley Baptist Divinity School, and Pres. Earl Morse Wilbur, m.a., d.d., and faculty of the Pacific Unitarian School.

Also, from the University of California, George Malcom Stratton, ph.d., Professor of Psychology; Charles Mills Gayley, litt.d., ll.d., Professor of the English Language and Literature; Chauncey W. Wells, a.b., Professor of English Composition and Rhetoric; Alexis F. Lange, ph.d., Professor of the Theory and Practice of Education; George P. Adams, ph.d., Professor of Philosophy; Jessica B. Peixotto, ph.d., Professor of Sociology; William Popper, ph.d., Associate Professor of Semitic Languages and Literature; Chas. H. Rieber, ph.d., Professor of Logic; Charles E. Rugh, ph.d., Professor of Education.

The School is located at Berkeley, the seat of the University of California. It is thus enabled to avail itself freely of the advantages of this University, among the foremost in the United States, all of its courses being open, without cost, to the theological students. Courses by the professors of the University above named have been incorporated in the theological curriculum, these men forming, to all intents and purposes, an associate faculty. The Library of the University (over 350,000 volumes) and the special library of the school (15,000 volumes) afford large opportunities for special study. Instruction in medicine can be had in the Medical School of the University, and better preparation in the languages of China and Japan can be had than in the Orient itself. The climate is remarkably even, constantly cool, stimulating and favorable for study during the entire year, knowing nothing of debilitating spring changes or prostrating summer heats.

The main purpose is to train men for the practical ministry. The usual courses in Exegetical, Historical, Systematic and Practical Theology are provided. The prescribed courses, about two thirds of the whole, cover the fundamental parts of all departments. For the rest the student, so far as prepared, is allowed to choose freely among electives covering all recognized branches. These courses are arranged in four groups — pastorate, religious education, social service, missions. Eighty units of credit are the required minimum for graduation, a unit representing one class-room exercise a week for a half year. Hebrew and Greek are not required for the degree of b.d., but unusual facilities are furnished for acquiring them. The University of California has established an excellent course in modern charities.

The Seminary is open to students of every Christian denomination, to women as well as to men. A college degree is required for admission to regular standing as a candidate for the b.d. degree. Advanced courses are provided for graduate students. Special students may be received, as in the University, to such studies as they are qualified to pursue.

Regarding expenses and pecuniary aid, and for further information, address Dean Bade.

The next year begins August 15, 1920.

Maintenance and Relation to Talladega College. — Talladega Theological Seminary is the one Theological Seminary maintained by the A M.A. for the training of Negro ministers. It is a coordinate department of Talladega College, and by a system of cross-credits, students can take college and seminary degrees in six years. Similar work in the colleges of the same rank as Talladega is accepted in the Seminary.

Aims. — The Seminary stands for character, scholarship, and service. It aims to develop leadership among a great and needy people, through long and severe training under competent guidance.

Courses of Study. — The Seminary maintains two distinct courses of study — the Theological and the Bible Institute. Courses are offered in Social Service Practice, Community Methods, Rural Economics, Music, Religious Education and Sunday School Methods. Emphasis is given to the study of the English Bible, pursued in a reverent spirit and according to modern historical methods.

The College and Seminary offer courses in the Bible, Christian Doctrine, Social Service, Church History, Missions and the History of Religion, looking toward Y.M.C.A., Y.W.C.A., and other forms of Christian Service.

Requirements for Admission and Graduation. — For the Theological Course, the four years of college are desirable. As this is not in all cases feasible, men having two years of college work are accepted. Upon completion of the course the degree of b.d. is given. Two years of Greek are offered to all who have had two years of preparatory Greek. For admission to the Bible Institute Course, the student should have completed the eighth grade, and when the course is finished he receives a certificate. The Seminary offers a correspondence course to non-resident pastors.

Equipment and General Advantages. — The Seminary is housed in a commodious building, equipped with steam heat, electric lights and a shower bath. Students have the advantage of the college and Seminary library, of college classes and student societies. All denominations are received on equal terms.

Expenses. — Tuition and rooms are free. Students pay for board, laundry and incidental fees. The bare necessities are not less than $115 a year. There are opportunities for self-help, and some student funds are available under certain conditions for those whose scholarship is satisfactory.

For further information, address Dean James P. O'Brien.

The College is openly and frankly interdenominational in its attitude and appeal, and students of various denominations are now in attendance upon equal terms. It was organized, however, by Congregationalists and took over the undergraduate and foreign work of the Chicago Theological Seminary; its Faculty and Board of Directors are nearly all Congregationalists.

The College is centrally located, adjoining the New First Congregational Church, which offers unusual opportunity for church work and worship. High School graduation is the standard requirement for entrance. The usual seven-year college and seminary curriculum is systematically abridged into four years by selecting the most essential theological and as many college studies as can be provided in the time available.

The ten major branches included are as follows:

(1) The history, contents and use of the English Bible.
(2) Preaching, Evangelism and Pastoral Ministry.
(3) The History of Religion among the Nations.
(4) Christian Faith and Theology.
(5) Religious Education and Social Christianity.
(6) Ancient and Modern History.
(7) English Language and Literature.
(8) The Natural Sciences.
(9) Psychology, Ethics, Philosophy.
(10) Ecclesiastical and Civic Organizations, Denominational Polity, Missions.

The College offers the degree of Bachelor of Theology (TH.B.) to those fully qualified who complete the course in a satisfactory manner and present a thesis of not less than five thousand words on a subject acceptable to the committee on graduation. In no case will the College bestow its degree upon students who have not met the requirements — a high-school course or its full equivalent, a satisfactory completion of the course of study, and an acceptable thesis.

ANNUAL STATISTICS OF CHURCHES.

The following pages contain the statistics for 1920, as collected by the statistical secretaries of the several state organizations, and compiled for this publication under vote of the Executive Committee of the National Council. They are of date Jan. 1, 1921, except that changes in pastorates are corrected, as far as possible, until Year-Book proof goes to press. Corrections, however, are not made in summaries of churches and ministers affected thereby. Summary records are as originally reported.

EXPLANATIONS

1. The first name in the list of churches is usually the name of the *place* (town or city) in which the meeting-house is located. This is also the name of its post-office, unless followed by a name in **heavy-faced** type. THIS EMPHATIC TYPE IS USED FOR NAMES OF POST-OFFICES. If this postal word is an adjective, it goes with the preceding name, *e.g.*, "Newton **West**"; if itself a name, it supersedes the other, as "Newton, **Auburndale.**"

2. When a church has failed to report, items of church and Sunday School membership and value of church property are inserted from record in the previous Year-Book. This is done that these items may be included in the summaries and comparative tables, thus minimizing the possibility of the real progress of the churches being unduly diminished by failure of churches to report.

3. Any church given in brackets is one organized since Jan. 1; not included in the summary, but inserted for information.

4. Pastors installed by council are marked "*i*," and pastors recognized by council are marked "*r*"; others in service are considered pastors, except where otherwise distinguished. A blank in the column of "ministers" indicates no pastor at time YEAR-BOOK was published.

5. The tables are *not* A POSTAL GUIDE TO THE ADDRESSES OF MINISTERS; for addresses refer to Alphabetical Lists in the back of the book.

6. Under church "Members," the number "Absent" are included in the figures under "Total." "Rev." under "Removed" includes both discipline and roll revision.

7. An asterisk (*) before a pastor's name indicates that he serves a yoked field. The list of "yoked churches" may be found in the state summary. This list does not give the names of churches but their church numbers according to schedule.

8. Under "Salary" in the summaries, "pastoral units" include the total number of pastors of individual churches, pastors serving yoked fields, and vacant churches reporting amount of salary.

LIST OF LICENTIATES REPORTED

This list contains the names of licentiates reported, with references to the pages where any such are mentioned as supplying churches.

The post-office address is often the place of temporary service. Names followed by state only are of persons approved in the state mentioned, no residence being reported. The list is incomplete, because some states do not make a full report of licentiates.

CONGREGATIONAL CHURCH ASSISTANTS

In a growing number of churches specially trained but unordained men and women are engaged to supplement the work of the pastor or pastors. This service is rendered under a variety of titles, and in varied fields. Some are directors of religious education, some church secretaries, some parish visitors, some have a combination of two or more functions. It is evident that there will be a growing demand for workers of this sort as the churches enlarge their conception of the task resting upon them and as they come to perceive the central place of a sound program of religious education in the church's life.

A Congregational League of Church Assistants was organized in October, 1915. This League endeavors to be of service to those who are seeking training and to bring together churches and workers. Inasmuch as very few of the existing body of such workers are men, membership in the League is confined to women.

The following is a list of paid church assistants reported Jan. 1, 1921, irrespective of their membership in the League.
